

Dear Alliance Family. Thank you for your trust and support to this servant of yours.

For me to present the year report is not just about numbers. To me it is about people who have been safe, baptized, healed, deliverance of demons and people get reconcile with God. Putting all this together I confirm that it is all about Jesus and Jesus needs all of us to fulfil his Great Commission.

I reached out the National office to request some data of the Central Pacific District from the last 20 Years. I did it with the intention to learn from the pass and to ask for guidance for the future.

The national office sent me a report that represent our district very well.
