THE Central Pacific District

We are committed to walking with our churches and helping them to thrive.

Our vision is to assist and support our churches and leaders to fulfill their own vision while working together to fulfill our common Acts 1:8 vision as C&MA churches for both local and global impact.

Our mission is to facilitate and teamwork among our district churches and their leaders to create true synergy. We can do more for the cause of Christ together than we can do alone. How?

- You become part of a larger family with resources that only a family can give.
- In this day of changing laws, morals, values and attitudes, attacks on the church are only going to increase. The vulnerability of independent churches is also increasing.
- The C&MA has resources to assist you with church expansion. This could include property, staffing, programs, finances and other needs.
- Our pastors are not alone. We will walk with you when times are tough and rejoice with you in time of blessings.
- You have training and equipping resources at your disposal when you need.
- You have numerous opportunities to be involved in world missions partnering with other churches to complete the GCF.

In this day and age it is a really good time to be in a family; it is a challenging time to be an independent church, college, retirement center, or an entity that represents isolated Christian expression. As pressure mounts against the Christian faith, we are stronger as a team. As opportunities to be light in a dark world increase, we do so better together.

In cooperation with 2000 churches here in the US and more than 20,000 churches world-wide, we’re simply better and more effective, functioning like the New Testament church.

The US Alliance family is baptizing more than 12,000 people a year, while world-wide we have baptized over 1,000,000 in the last 5 years.

At the present time, more than 1000 men and women are preparing for ministry within the US Alliance, and in the last 2 years we have had the privilege of sending out 80 new International Workers into the harvest fields!

What a great time to be part of the C&MA!

Global Missions

The Christian and Missionary Alliance is rising to the challenge of taking the love of Jesus to the neediest places on this planet! Our International Workers (IWs) are committed, trained and competent. Alliance workers are among the best trained in the world. Our team of Alliance IWs are supported by individuals and churches who give to the Great Commission Fund. How wonderful, they don’t need to spend several years raising funds before they are allowed to go overseas.
Our gifts allow our workers to:

- Proclaim the truth of Jesus Christ to those who have not yet heard.
- Baptize and disciple new believers, grounding them in the word of God.
- Plant new churches in nearly 70 countries, including the United States.
- Supply critical medical care in desperate regions of the world.
- Train and equip future national church leaders.
- Build and staff hospitals and schools in underprivileged areas.
- Help rebuild the lives of those devastated by war and natural disaster.
- Carry out dozens of other light-bearing ministries that point people to Jesus.
